

VA / DoD DATA Synchronization

Update
7/30/03

New Events

- DOD and VA are working together to consolidate list of vendors.
- Exploring the potential consolidation of the National item file and VA item searchable database projects

More New Events

- Received a list of Vendors from DOD to review and assist with in standardization process.
- VA Released NAC Contract Catalog Search tool. Found at <http://www.va.gov/oa&mm/nac/secret.htm>

Next Steps

- Continue to work on the ICD with DOD & VA for Medical and Surgical items
- Work with DOD on the naming and cross referencing effort they have to date.
